60x45cm Combi-Steam Oven, TFT Display

Professional Series

F457PROVTN

This Bertazzoni Professional Series 60x45 cm combi steam oven has 7 functions and a 31-liter capacity stainless steel cavity. The Steam Assist function offers the possibility to combine traditional functions with three different steam intensity levels: low, medium, maximum while the Total Steam function use pure vapour to deliver a fast and healthy cooking. Easy to control thanks to the knobs and a clear TFT display, this oven features a soft opening door with metal handle and a removable water tank, for a quick refilling. Available in Stainless Steel with solid metal knobs or in Carbonio with metal knobs and handle in titanium finish.
